Would you like to start a new group?

Start with a *From Idea to Reality* application, located on the website and in the church foyer. Applications will be reviewed on a first-come basis. Our church calendar, resources, etc. will be reviewed along side of the group idea plan, and a decision will be made. While we desire to say yes as often as possible, sometimes we may decide to postpone or decline an idea. We will notify you in a timely manner about the decision. Please trust that we might have to decline the start of a group due to reasons we are not able to disclose. Below are the *Standard Skills and Requirements* for all group leaders.

- Spiritual Maturity—Demonstrate a close walk with God.
- High Character—Live with humility, integrity and sexual purity.
- DFC Membership—In good standing with leaders and members.
- Participation—At *The Source, The Family, The Shield, and 7 Events*.
- Magnetism—Able to attract and relate with a variety of people.
- Confidentiality—Regarding staff, member, and church records.
- Results Focused—Bottom line people; can make things happen.
- Specific Expertise—Planning and scheduling proficiency, and able to operate our database (with training) as it applies to your LIFEGroup.
