

LifeGroup Application

Thank you for considering DFC LifeGroups! This is a great way to serve God and build friendships in our church. Now let's see if your idea is ready to launch, or if it needs some additional work. Please complete this application and give it to our *Director Of Life Groups* or any *Lead Team Member*. Applications are reviewed on a first-come basis. Our church vision, calendar, and resources will be reviewed along with the LifeGroup master plan, and a recommendation about your group will be made. While we desire to say yes as often as possible, sometimes we have to postpone or decline an idea. Sometimes we decline for reasons we're not able to disclose. We will notify you in a timely manner about your LifeGroup application.

This application will test your LifeGroup idea from several angles, and hopefully move it forward with clarity and focus. Please take your time, be thorough with your responses, and have fun.
